Obituary.

Mrs. Ann Elor (formerly Mrs. Thom-
as Smith) wife of Mr. James Elor, Hill
street, died at her residence on Wednes-
day morning the 15th inst. She was taken
suddenly ill on the previous Monday
about 11 A. M. with cramps. Deceased
was born at Gorton, England, in 1815, and
came to this country in 1869. She had a
large circle of friends and was regarded
with much esteem by all who knew her.

Her death was a severe loss to the Wat-
sessing M. E. church of which she was a
member. A woman, pre-eminently in the
field, always earnestly devoted to the
work of the Master, in a quiet yet effec-
tively manner, strictly conscientious in all
her dealings with others, and very seldom
absent from Sunday school, her services,
she will be deeply mourned by her fel-
low members. The funeral service will
be held at half-past two o'clock this after-
noon.

—Margaret Woods, aged 55, left her sis-
ter's home in East Newark, on Tuesday
last week, with the intention of visiting
friends in Bloomfield. A few days after,
one of her friends, supposing that she was
in Bloomfield, came up to see her. Much
surprise was manifested on learning that
Mrs. Woods' friends here knew nothing of
her. She had never reached here. It was
subsequently ascertained that instead of
going to Bloomfield she suddenly changed
her mind and went to Philadelphia, with-
out notifying her friends.

—There seems to be a peculiar coinci-
dence in the date of the deaths of the em-
ployees on the D. & W. Railroad. On
Saturday the 5th, Henry Hoffman, presi-
dent of the Employees' Mutual Benefit
Association of that road, telegraphed to
Conductor Jerry George, at Dover, notice
of the death of Conductor George Sweet.
Exactly one year ago and on a Saturday
he telegraphed to Conductor George the
intelligence of Conductor Gibb's death.
Out of the fourteen deaths that have
marked the course of the Mutual Benefit
Association since its inauguration, thirteen
have occurred on Saturday.

Lodges and Societies.

—P. G. D. D., Wm. Baldwin, of Newark,
delivered a very interesting address be-
fore the members of Eureka Lodge K. of
P. Brother Baldwin is regarded as a very
able speaker. The third degree was con-
ferred upon one esquire.

—Caldwell, Little Falls, Montclair, New-
ark and other places, were represented at
the meeting of Excelsior Lodge K. of H.,
on Wednesday night. Supreme vice-presi-
dent Samuel Klotz, of Newark, G. V. D.
Burt, of Paterson, were among the visitors.
The guests were well entertained by the
members of Excelsior Lodge, and went
home highly pleased with the spirit of
hospitality and friendship exhibited by
their Bloomfield brethren.

—A large crowd, comprising among
the number many young ladies, assembled
at the depot on Wednesday night, to wit-
ness the departure of Active Hose Company
No. 2, for Philadelphia, where they par-
ticipated in the grand parade on Thursday.
The scenes enacted during the leave tak-
ing reminded Mr. T. Cooper and other
veterans who were present, of war times.
Many tender "good-byes" were given and
the boys received many admonitions to
"be sure and take care of themselves."
Piston Post drum corps accompanied the
hose company. Mr. Theo. Harvey of
Phoenix Hose went to Philadelphia with
the Active Hose. Mr. Herman Puffer of the
Truck Company, was also among the guests
of America Hose Company of Philadelphia,
during their stay in the city.

—On Saturday afternoon and evening of
the 17th, Excelsior Hose Company No. 3,
will hold a picnic in Spragg's pavilion, on
Glenwood avenue. Excelsior Hose Com-
pany, of Montclair, will be the guests of
the Bloomfield Company on that evening.

—A new council "Order American Fire-
men" was organized in Montclair on Tues-
day night. Mr. F. G. Tower and other
members of Bloomfield council were pres-
ent.

F. T. FEAREY,

Good Roads.

The Road is the physical sign or symbol by which you will best un-
derstand any age or people; if they have no roads they are savages; for the road
is the creation of man, and a type of civilized society. If you wish to know
whether society is stagnant, scholastic, religion a dead formality, you may
learn something by going into "universities," something also by the work
that is doing on cathedrals and churches or in them both quite as much by
looking at the roads. For if there is any motion in society the road, which is
the symbol of motion, will indicate the facts, as roads are the symbols of
progress.—Rutherford News.
